FEDERAL WAY LEADER ANNOUNCES
FOR STATE HOUSE

Federal Way City Council Member Linda Kochmar announces that she will be a candidate for the Washington State House of Representatives in the 30th District. She will seek the seat currently held by State Representative Mark Miloscia who previously announced that he will run for State Auditor.

Linda is a proven 14-year leader in the City of Federal Way where she served as Mayor, Deputy Mayor, Chair of all City Council Committees, and was elected twice by her colleagues in the region as Chair of the prestigious Suburban Cities Public Issues Committee.

Elected Best City Leader by the readers of the Federal Way Mirror in 2008 and 2010, Linda has a proven track record of listening to the people of this community and acting on their behalf. Linda is especially interested in providing an environment in which small businesses can thrive because we all benefit when small business succeeds. Kochmar says, "It is a privilege to serve the citizens of the 30th District and I would be honored to continue to do so in Olympia". She goes on to say that "I have always worked hard to provide the best for our community with the least expenditure of dollars. I am concerned about our families who are struggling to survive in this down economy and about our schools that are facing severe funding issues."

The budget challenges in Olympia demonstrate the need for new leadership. Linda can make the tough decisions needed to reduce government regulations, control spending, get the budget deficit under control, and help create new jobs.

Linda believes that in these uncertain times, strong leadership is needed and that the citizens need someone that they can trust and who can work collaboratively with others.

PROVEN LEADERSHIP WE CAN COUNT ON!
